

HAVE YOU TRIED 2 OR MORE SEIZURE MEDICATIONS?

If you are struggling to gain control of your seizures and would like to learn more about another treatment option, join a monthly conference call and hear from real patients about their lives before and after VNS Therapy.

- All sessions are moderated by a physician specialist
- You can ask questions anonymously or just listen to the discussion
- All calls are free and confidential with no obligation
- Calls take place the first Tuesday of every month, 7:00 PM CST: **1-877-451-8943**
- Ask to join the **VNS Therapy Phone Facts call**, no code is required *(Please note that if you already have VNS Therapy and have questions, please talk with your doctor.)*

You can also talk with a VNS Therapy Nurse Case Manager directly at 1-888-867-7846 or ask your doctor.
